Employment of NOSTRIL

1. We are pleased to inform you that NOSTRIL has been reappointed to his old job in the Municipality after a fifteen month period of unemployment. The good news was effective as of 17 June 1953. He is presently employed as a daily employee and earns J.D. 20.000 per month (one Jordan Dinar equals U.S. $ 2.80). A permanent appointment has been requested and is expected shortly.

2. An important hurdle has been overcome, now that NOSTRIL has obtained a job. As you were aware, we had to be very careful in giving him any money for fear that it might attract attention. NOSTRIL has debts totaling about two hundred Dinars and hopes to pay them off as rapidly as possible. We are confident that the newly acquired cover will enable him to do a much better job for us.

3. In reference to the job opportunity referred to in WASH-02871, we wish to point out that despite favorable sounding interviews between NOSTRIL and Iden Able of WASH-02871 commencing 10 May 1953, nothing has materialised as yet. It is suggested that in such cases in the future, Headquarters should notify the Station as to the nature of the agreement reached with the prospective employer in order to assist us in handling the matter.

4. It is hoped that the Municipality job continues, as it appears to provide better cover. Headquarters' efforts to help us solve the cover problem are appreciated.
